RPD Contact: Nishita Shah Amin, PharmD, BCGP, BCPS; NAmin@carekinesis.com

Our Programs

We are located in Moorestown, New Jersey and are dedicated to preparing pharmacists for the role of a clinical pharmacist, a clinical coordinator, or an adjunct faculty member in general clinical practice and clinical pharmacogenomics. Our programs include:

- Whole-person care in complex patients with high disease burden
- Structured preparation for board certification in geriatric pharmacy
- Hands-on teaching experience
- Active clinical service development and research mentorship
- High level of flexibility to individualize the learning experience of the resident
